# This is CoachBot

A web based platform that helps create great team habits and strong foundations.

The screenshot displays the CoachBot web interface with the following sections:

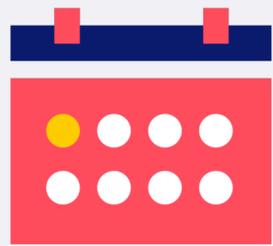

- Behaviours:** A grid of six cards with icons and text. Each card has an "Add a comment" button.
  - "We focus on the outcomes more than the process" (Add a comment)
  - "We make time to celebrate the wins" (Add a comment)
  - "Work is not life" (1 Comment)
  - "We value everyone's input" (3 Comments)
  - "We respect each other's time" (4 Comments)
- Retrospectives:** A section titled "Recent activity" with a list of notes:
  - TJ: You left a retro note (Just now)
  - RL JK: Two people left retro notes (2d ago)
  - RL: Rosetta left a retro note (3d ago)Below the list is a "Leave a retro" button and a note: "Chat with CoachBot to create a retro note. Notes will be reviewed in your next retrospective session."
- Goals:** A section titled "Edit in goals board" with three goal cards:
  - Simplify & clarify product messaging:** Measurable results: "Increase response to messaging survey by 100 to 200 replies" (Rosetta Lo), "Test proposed messaging with 50 users via online testing" (Adria Adeline).
  - Increase number of targetted leads:** Measurable results: "Double scheduled demo calls from 100 to 200 this quarter" (Marvin Squire), "Increase % of qualified demo calls from 60% to 75%" (Adria Adeline).
  - Implement new newsli:** Measurable results: "Grow subscriber base week to 10,000" (Rosetta Lo), "Increase click through 1.5% to 4%" (Rosetta Lo).

The screenshot shows the CoachBot mobile app interface with a chat conversation:

# Better one to ones

# Better One-to-ones

CoachBot can help plan and improve  
your one to ones

You can plan a meeting with any  
colleague

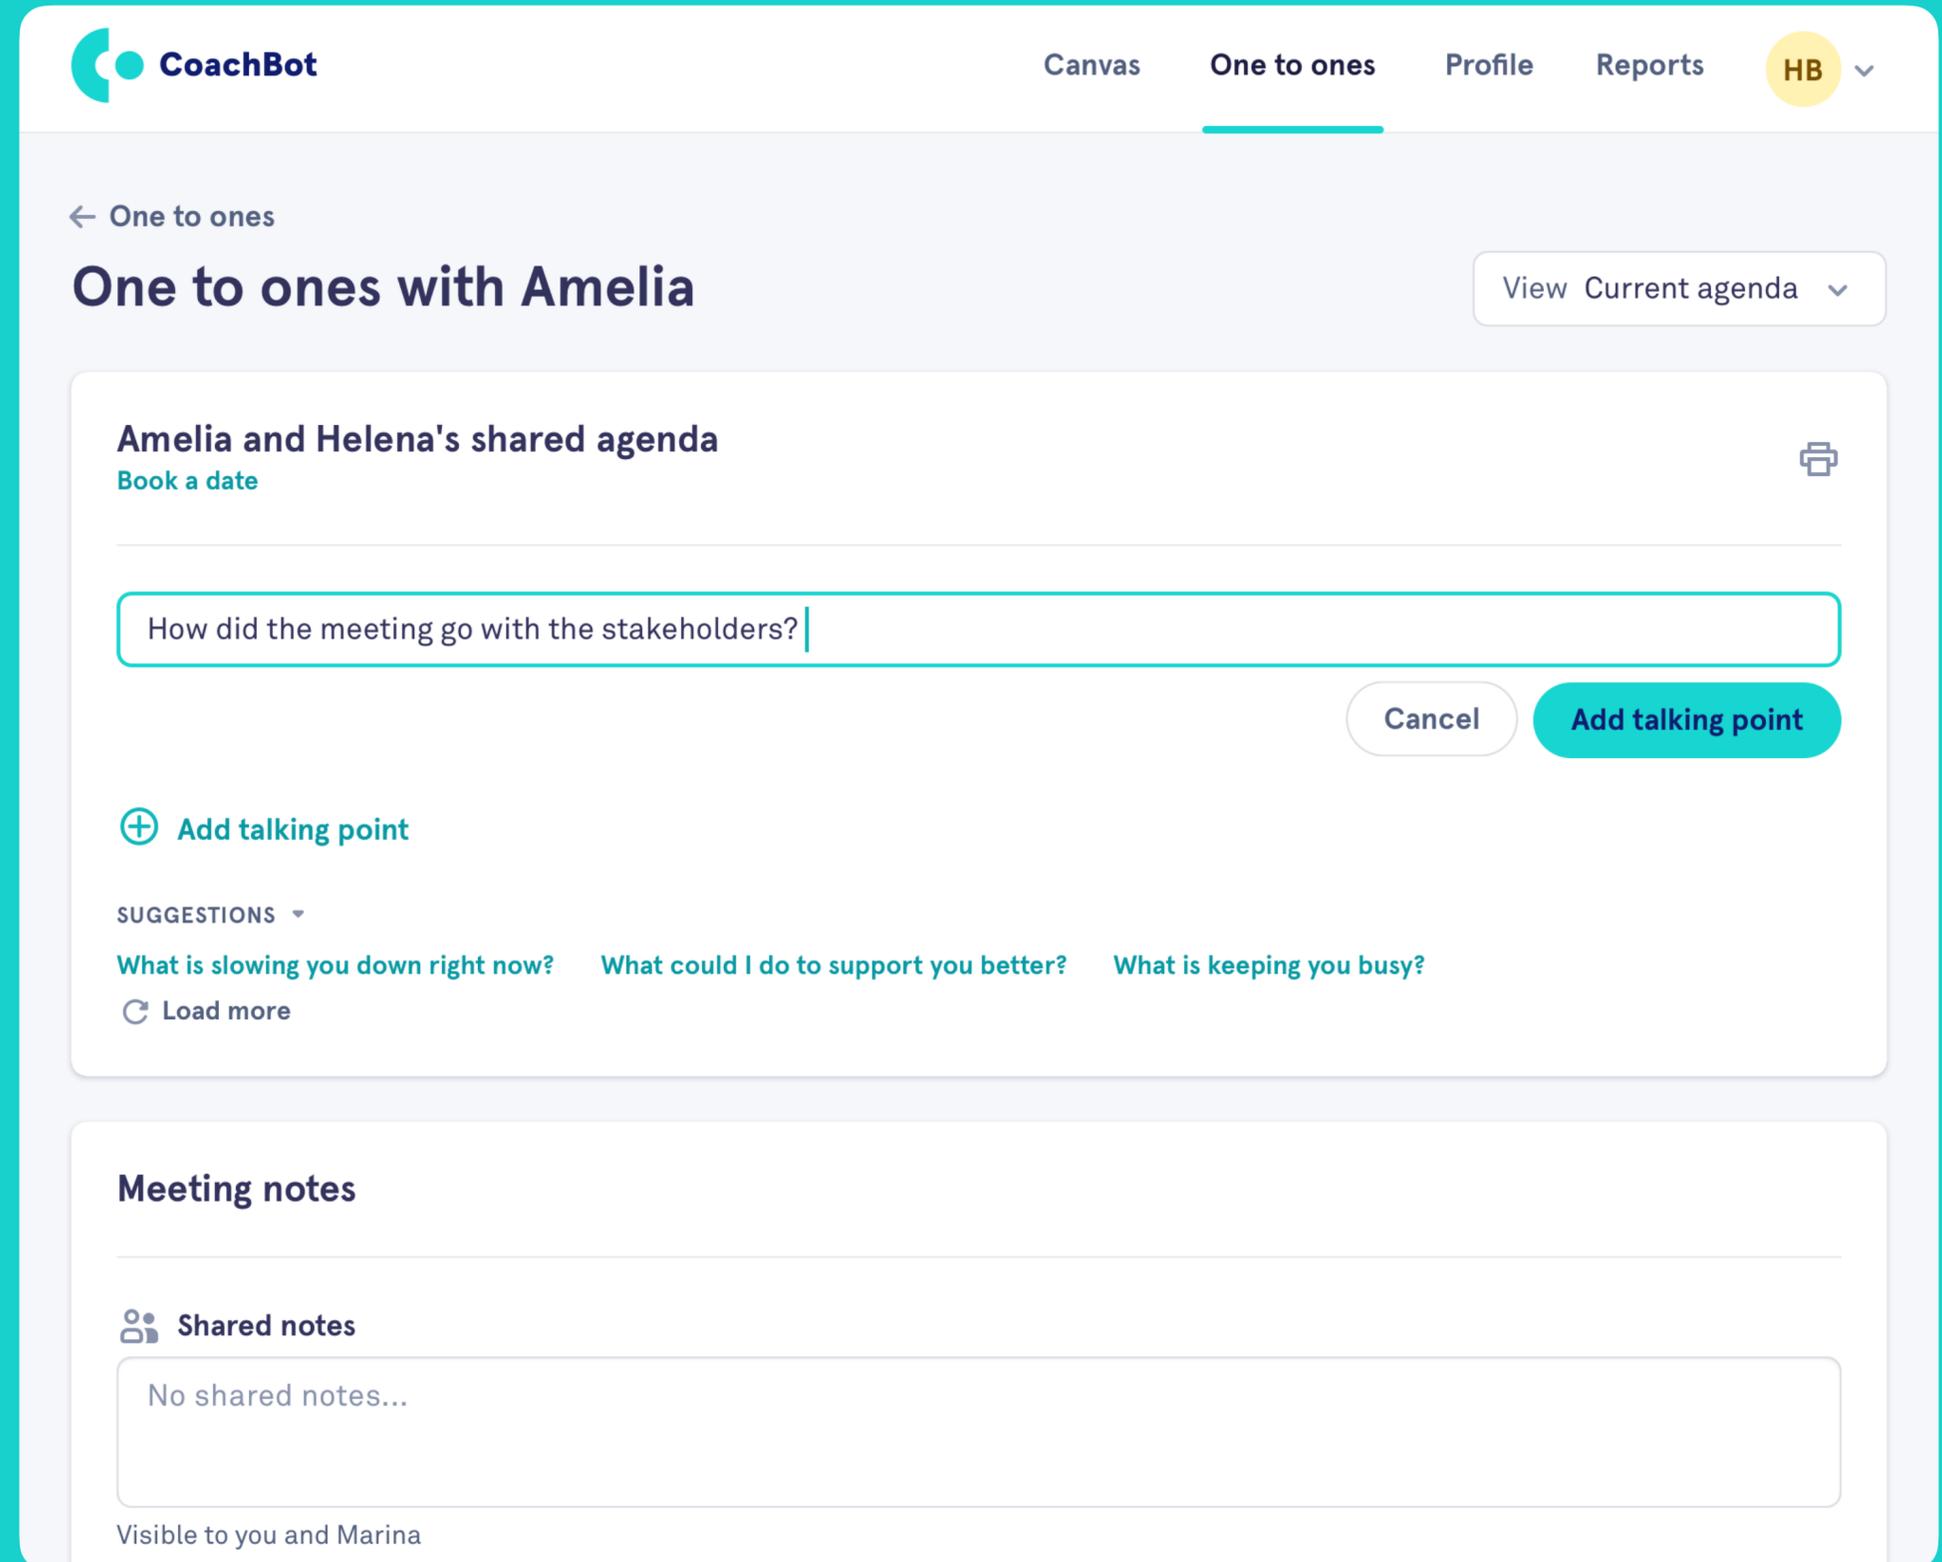

The screenshot shows the CoachBot interface for managing one-to-one meetings. At the top, there is a navigation bar with 'CoachBot' on the left and 'Canvas', 'One to ones', 'Profile', and 'Reports' on the right. A user profile icon 'HB' is also present. The main section is titled 'One to ones' and includes a '+ Add someone outside your team' link. Below this, there are five meeting cards for different colleagues: Amelia Cabal (AC), Onyekachukwu Chibueze (OC), Tan Wuhan (TW), Langke Zambo (LZ), and Tsutsui Ichiha (TI). Each card displays the meeting date and time, and a button to either 'View agenda' or 'Plan meeting'. The bottom section is titled 'Past meetings' and shows a message: 'No past meetings. One to ones that have been marked as finished will be shown here.'

# Adding to the agenda

Add anything you want to discuss in the one to one

CoachBot can suggest talking points to get the most out of your meeting time

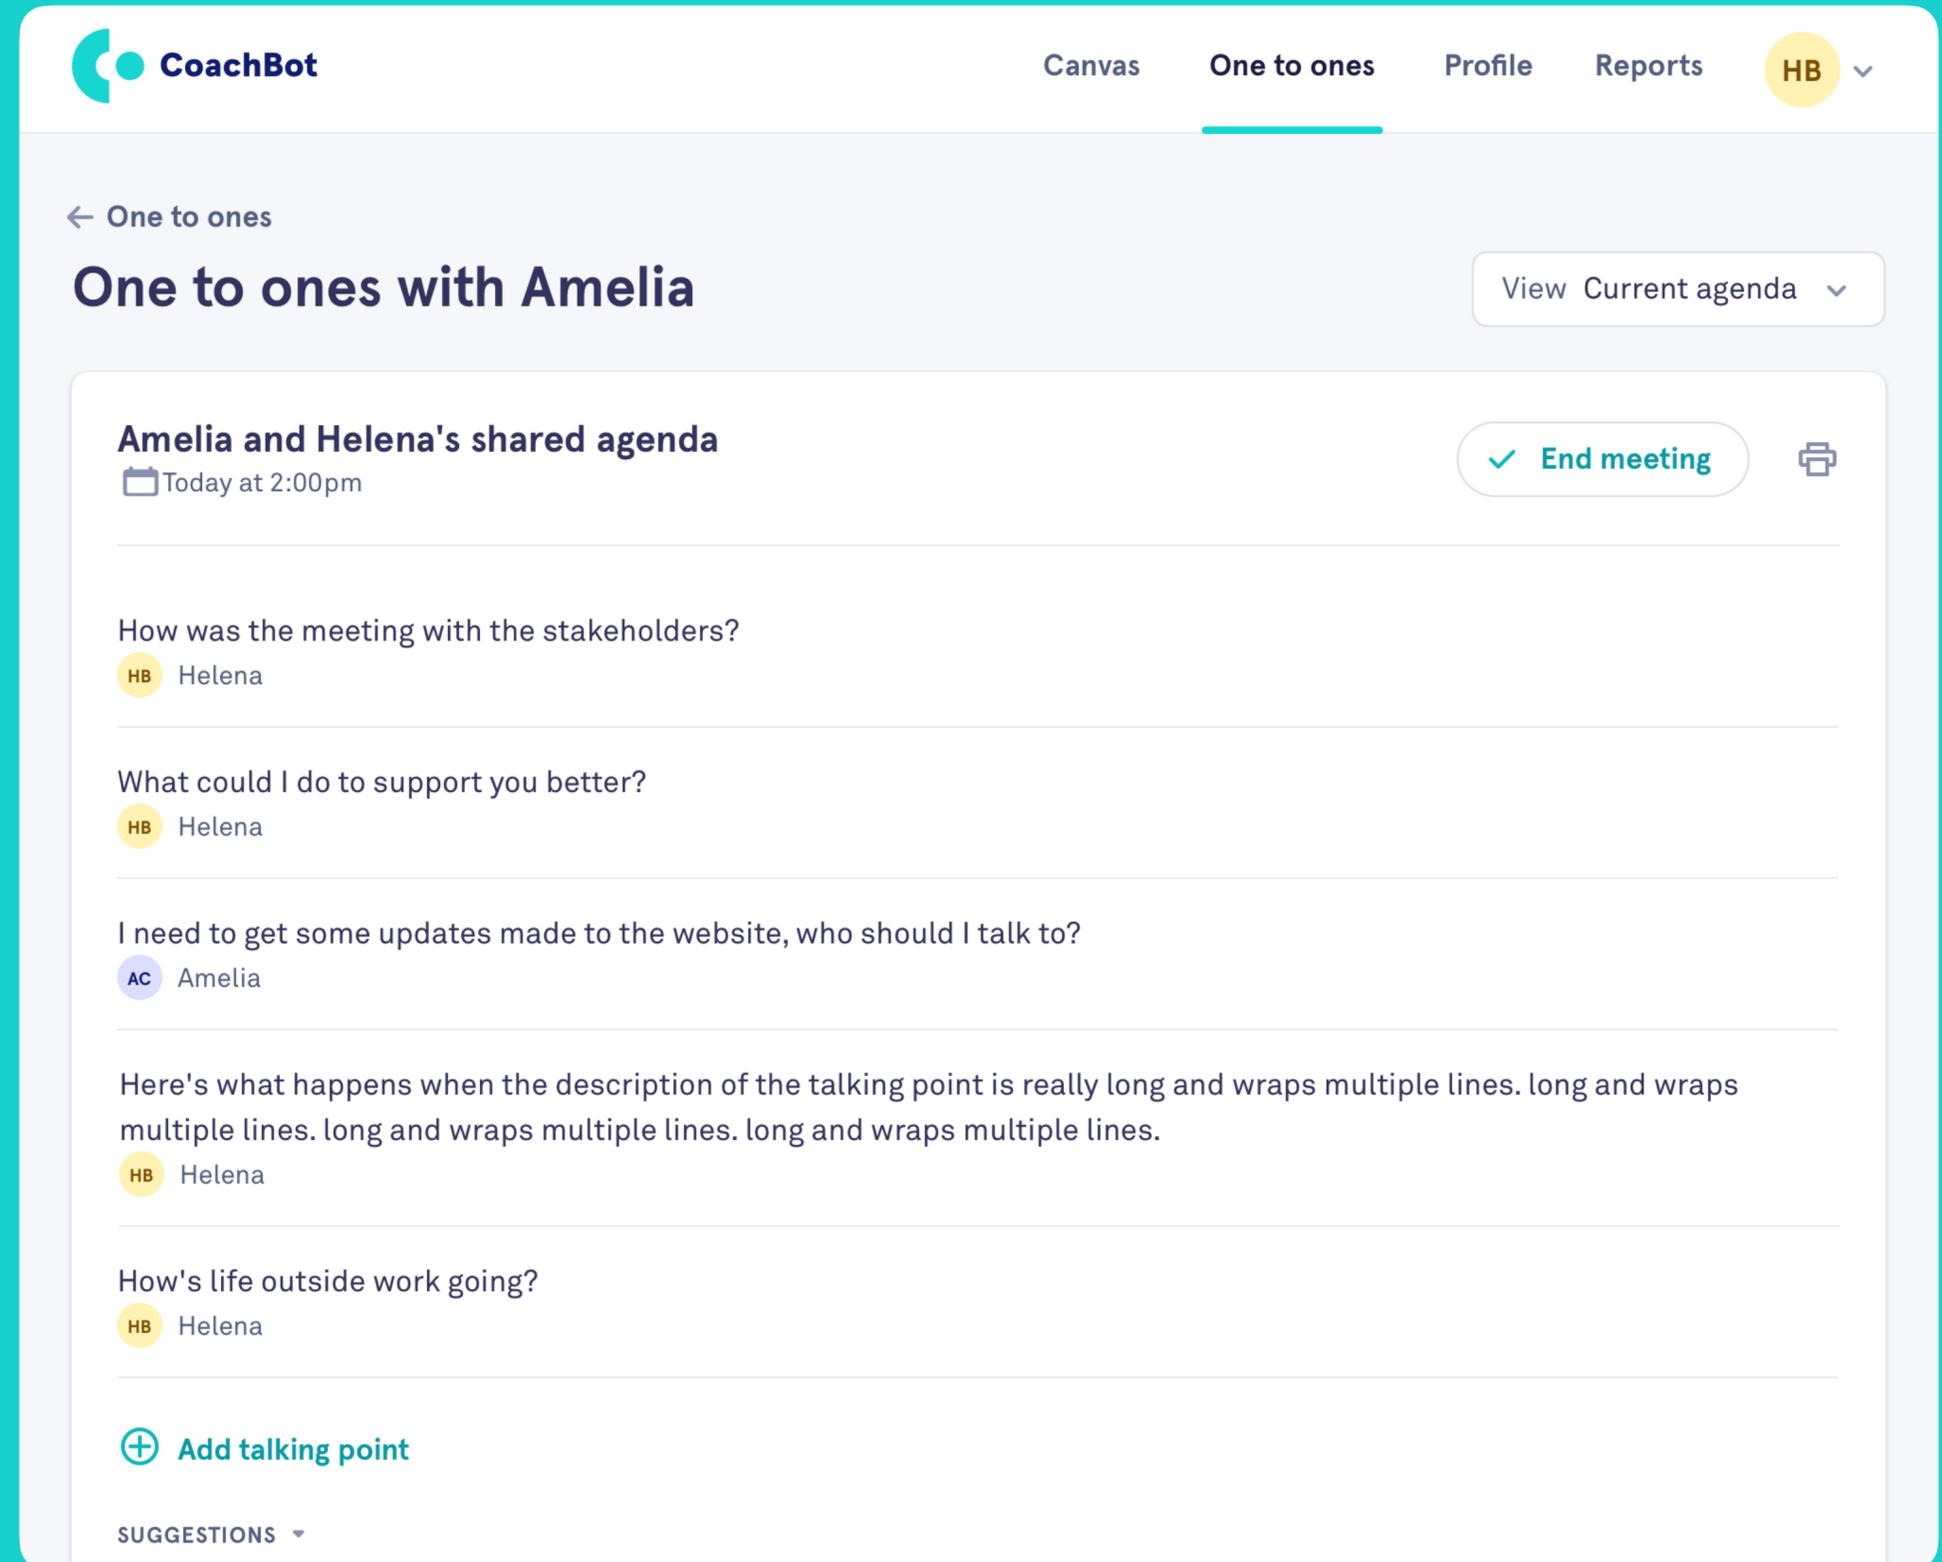

Both members contribute to the agenda

The screenshot displays the CoachBot interface for a 'One to ones' session with Amelia. The top navigation bar includes 'CoachBot', 'Canvas', 'One to ones' (active), 'Profile', 'Reports', and a user profile 'HB'. The main heading is 'One to ones with Amelia', with a 'View Current agenda' dropdown. Below this is a section for 'Amelia and Helena's shared agenda' with a 'Book a date' link and a print icon. A text input field contains the text 'How did the meeting go with the stakeholders?'. To the right of the input are 'Cancel' and 'Add talking point' buttons. Below the input is an 'Add talking point' button with a plus icon. A 'SUGGESTIONS' dropdown menu is open, showing three suggestions: 'What is slowing you down right now?', 'What could I do to support you better?', and 'What is keeping you busy?'. A 'Load more' button is also present. The bottom section is titled 'Meeting notes' and contains a 'Shared notes' area with the text 'No shared notes...'. At the bottom, it indicates 'Visible to you and Marina'.

# During the one to one

You can view the joint agenda during your one to one, or print it out ahead of the meeting

The screenshot displays the CoachBot interface for a one-to-one meeting. At the top, the CoachBot logo is on the left, and navigation tabs for Canvas, One to ones (selected), Profile, and Reports are on the right. A user profile icon labeled 'HB' is also present. Below the navigation, a back arrow and 'One to ones' text are visible. The main heading is 'One to ones with Amelia', with a 'View Current agenda' button to its right. The central section is titled 'Amelia and Helena's shared agenda' and includes a calendar icon and the time 'Today at 2:00pm'. To the right of this section are 'End meeting' and 'Print' buttons. The agenda items are: 'How was the meeting with the stakeholders?' (by Helena), 'What could I do to support you better?' (by Helena), 'I need to get some updates made to the website, who should I talk to?' (by Amelia), and a long-wrapped text item 'Here's what happens when the description of the talking point is really long and wraps multiple lines. long and wraps multiple lines. long and wraps multiple lines.' (by Helena). At the bottom, there is an 'Add talking point' button and a 'SUGGESTIONS' dropdown menu.

## Meeting notes

### Shared notes

Things to do...

1. Go through feedback doc and categorise
2. Create list of website requirements for our next 1:1

Visible to you and Marina

### Private notes

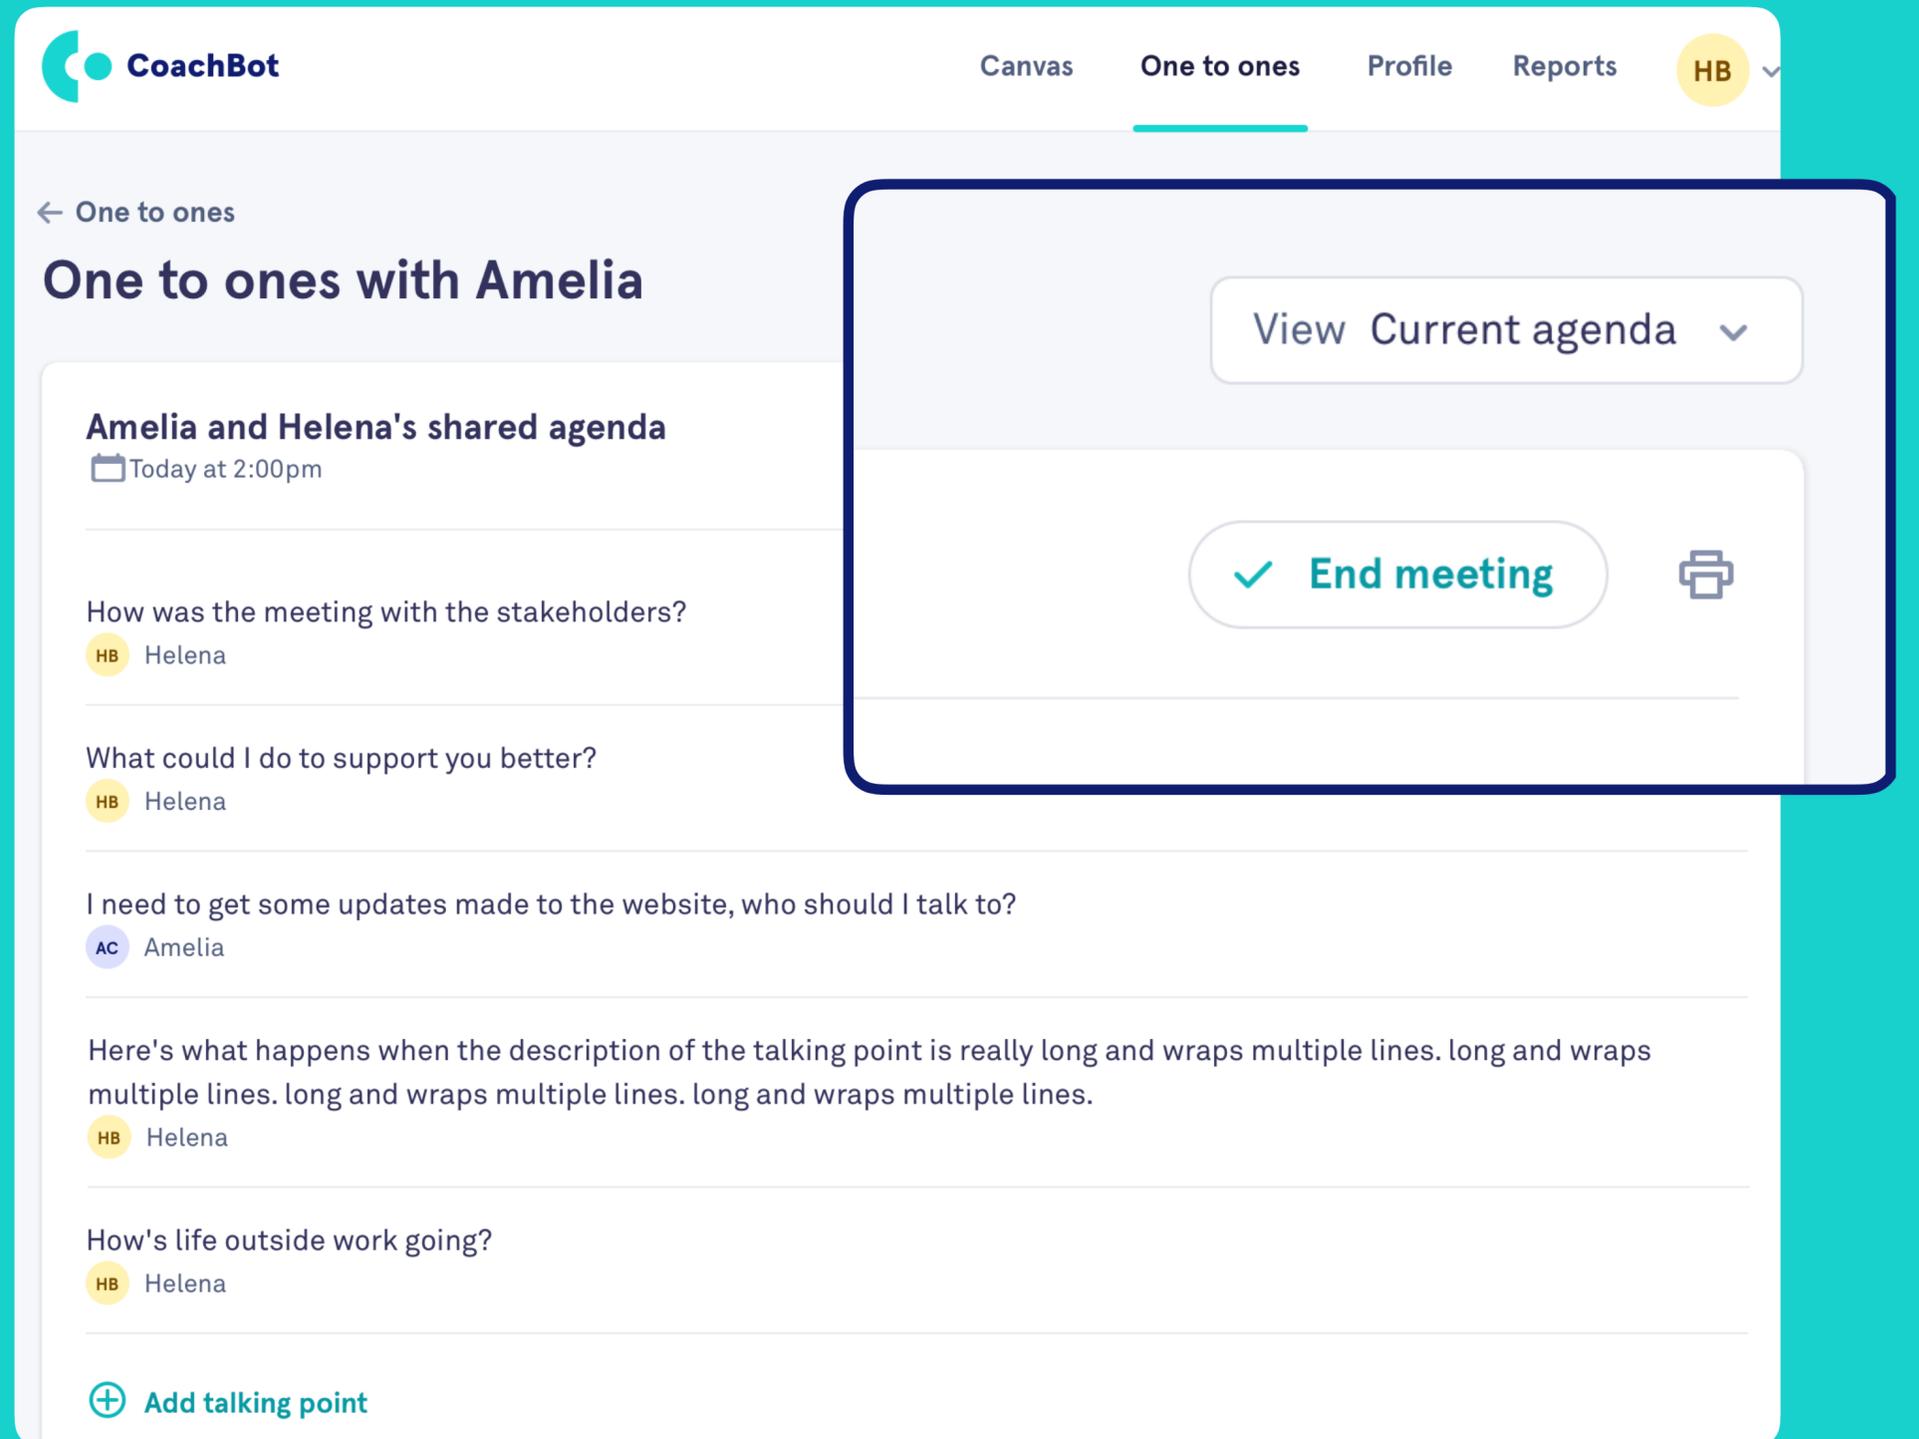

Good chat, ended up covering a few things that weren't in the agenda:

- How we capture feedback
- What we'd both like from the new hire.

Only visible to you

# When the meeting is over

End the meeting and CoachBot will keep a history of your one to one conversations

The screenshot displays the CoachBot interface for a 'One to ones' session with Amelia. The top navigation bar includes 'Canvas', 'One to ones', 'Profile', 'Reports', and a user profile 'HB'. The main content area is titled 'One to ones with Amelia' and shows a list of conversation points under the heading 'Amelia and Helena's shared agenda' for 'Today at 2:00pm'. The conversation points are:

- Helena: 'How was the meeting with the stakeholders?' (HB)
- Helena: 'What could I do to support you better?' (HB)
- Amelia: 'I need to get some updates made to the website, who should I talk to?' (AC)
- Helena: 'Here's what happens when the description of the talking point is really long and wraps multiple lines. long and wraps multiple lines. long and wraps multiple lines.' (HB)
- Helena: 'How's life outside work going?' (HB)

At the bottom, there is an 'Add talking point' button. A dark blue box highlights a floating overlay on the right side of the screen, which contains a 'View Current agenda' dropdown menu, a green 'End meeting' button with a checkmark, and a printer icon.

# Retrospectives

# Retrospectives

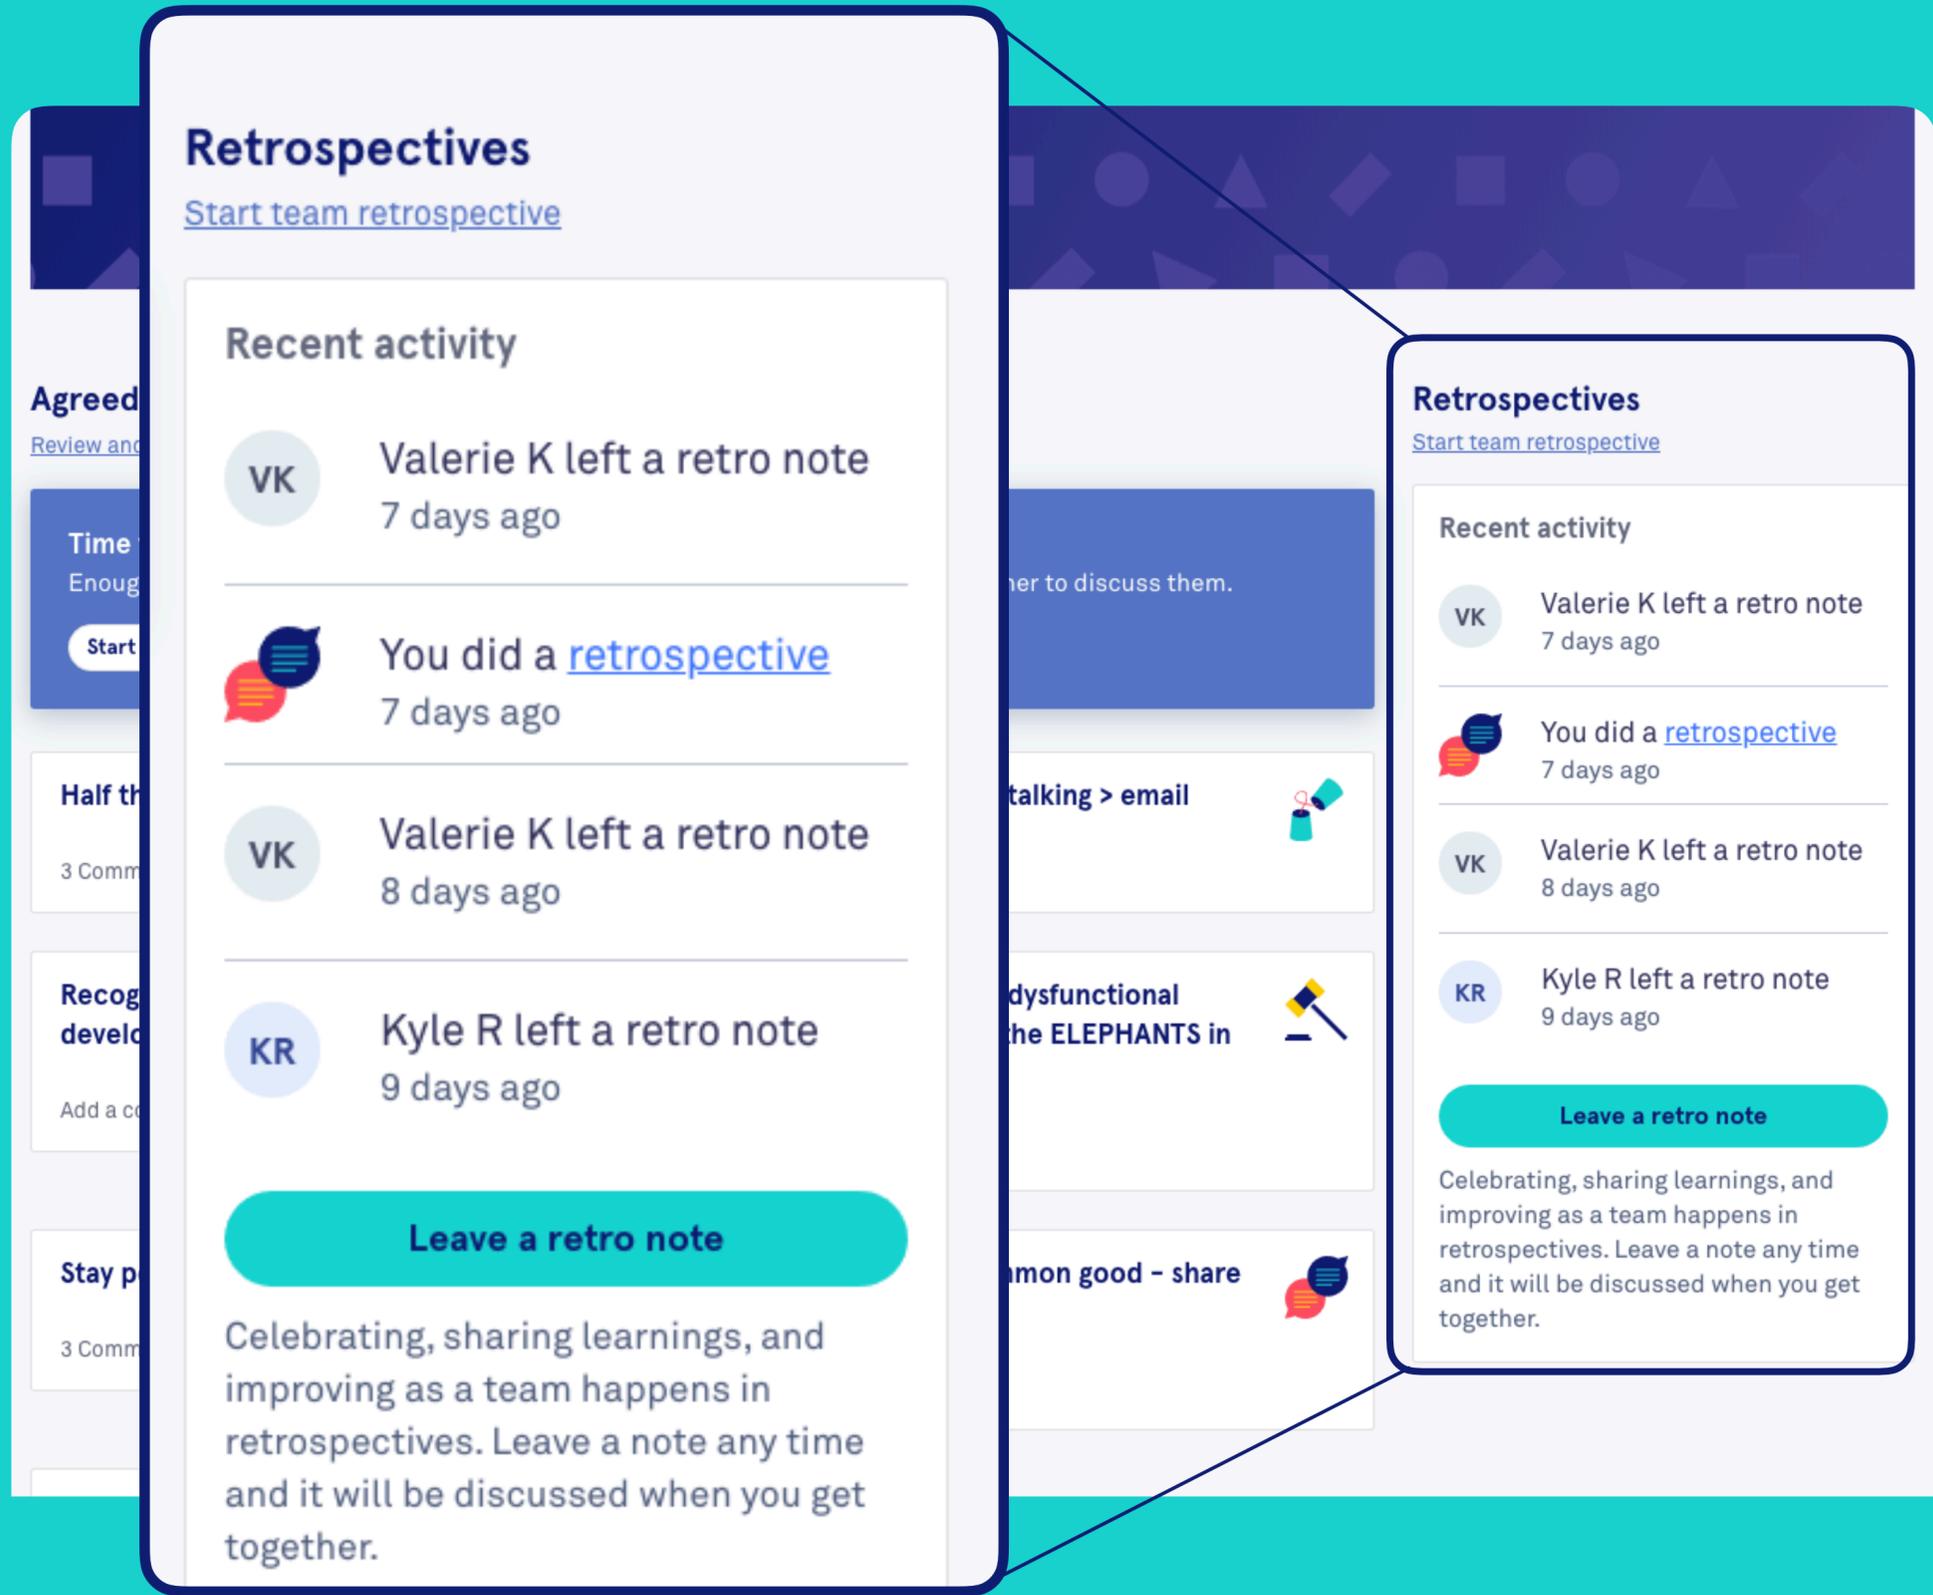

**A regular meeting to reflect as a team on what went well and what could be improved**

**Leave retro notes at anytime and get together for regular retrospectives**

# Leave retrospective notes

You can leave a retro note at anytime from the canvas

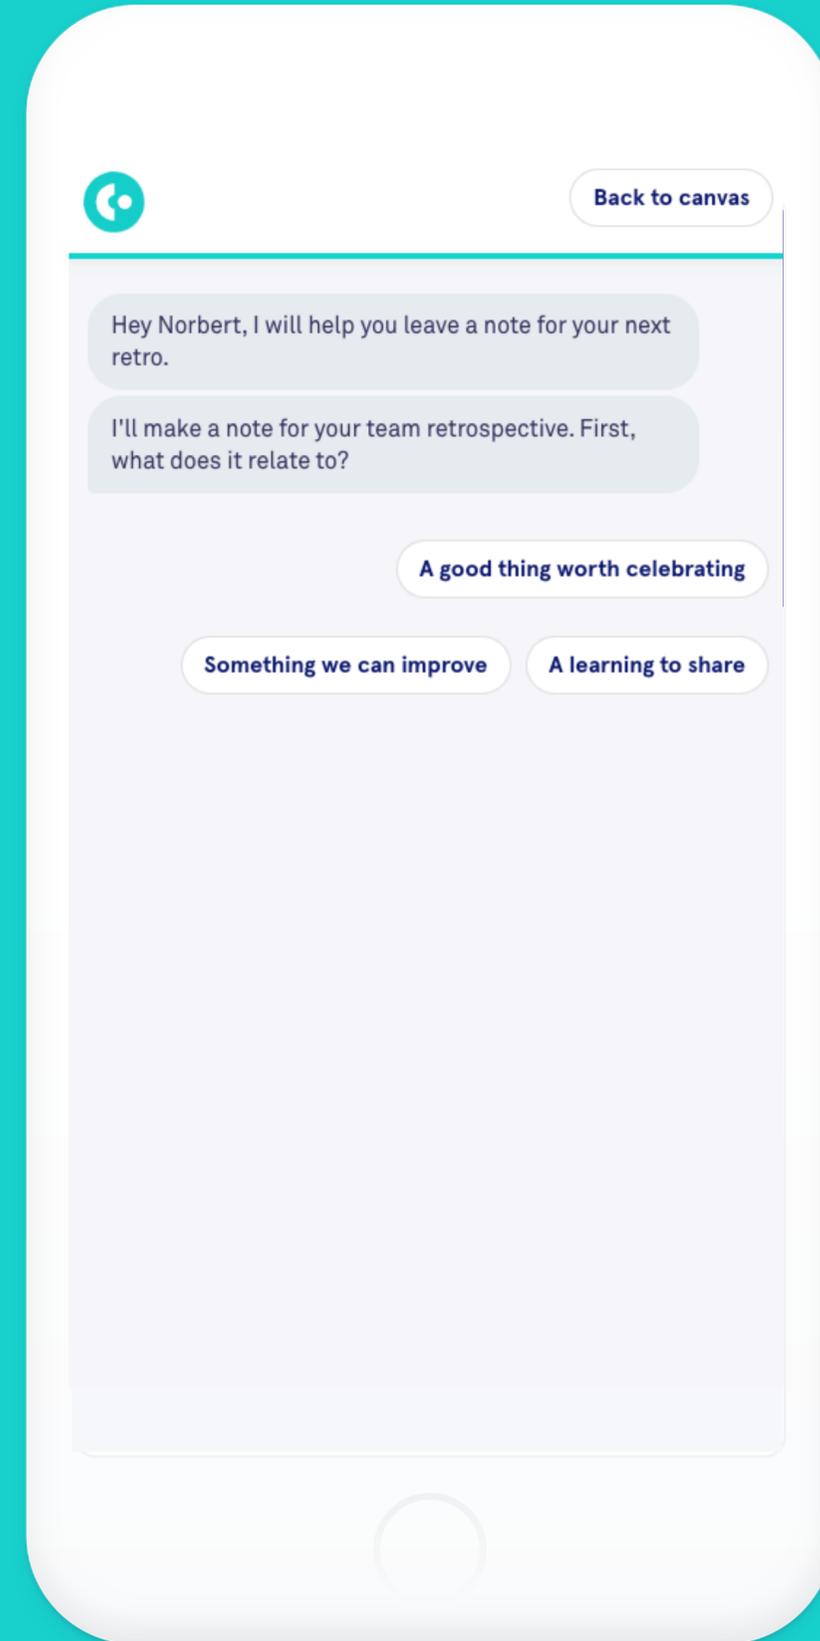

You'll also receive a reminder email ahead of your retrospective

# Retrospective notes

Choose between, a learning, a  
celebration or something to improve

It takes just two minutes to leave a retro  
note

# Retrospectives

You can leave multiple notes whenever you like, which will be reviewed by the whole team
